TECHNICAL SKILLS

HTML5	jQuery	Golang	Massive.js	GIT
CSS3	AngularJS	Node.js & Express	Gulp	NGINX
JavaScript(ES6)	React & Redux	SQL & PostgreSQL	Passport.js	AWS

EXPERIENCE

Blogger – Freelance Project

August, 2017 - September, 2017

Tech Stack - React, Redux, Node.js, Express, and Mongo

- Retrieves a list of blog posts from a third-party API using Axios from the back-end
- Allows users to view and delete posts once logged in and authentication is done locally
- URL: <http://13.56.178.219:4124>

Feed-back App – Freelance Project

July, 2017 - August, 2017

Tech Stack - React, Redux, Node.js, Express, and Mongo

- App for start-ups to send out survey emails to clients for receiving feedback for services rendered
- Authentication is done through Google using passport.js. Payments are processed using Stripe.
- URL: <https://feedback-app12.herokuapp.com>

Vimeo Clone – Freelance Project

June, 2017 - July, 2017

Tech Stack - AngularJS, Node.js, Express, and SQL

- View, search, and upload videos similar to Vimeo
- This was a group project done with 2 other people and I was responsible for the backend.
- I also did a lot of the front-end Angular logic so I did about 60% of the whole project myself.
- URL: <http://www.vimeoclone.com>

Keyboards Etc. – Freelance Project

May, 2017 - June, 2017

Tech Stack - AngularJS 1.5 components, Node.js, Express, and SQL

- E-Commerce site used to order musical instrument products
- Data stored in a PostgreSQL database on an Amazon RDS instance
- I won an award for most technical project in my class due to the many features in this app.
- URL: <http://www.keyboardsetc.net>

EDUCATION

DevMountain | Provo, UT - Web Dev Immersive program

February, 2017 - June, 2017

University of Minnesota | Minneapolis, MN - Electrical Engineering

September, 2005 - May, 2007

Normandale Community College | Bloomington, MN - General Education

May, 2003 - May, 2005

AWARDS

Mathematics Scholastic Achievement Award - Normandale Community College

May, 2005

- Obtained for receiving 4.0 GPA in 4 semesters of Calculus
